More importantly, I missed her pendulous tits, shapely ass, and tight pussy.

Creekside Cunny

Huffing and puffing, thighs burning, I pedaled my mountain bike up a steep rise. Endorphins coursed through my system, making me feel a hell of a lot better about life in general. Riding the dirt trails near school was one of my favorite ways to blow off steam. And I had a lot of steam to blow off, a whole hell of a lot.

This semester hadn't turned out the way I had planned. Stricken with a stress fracture in my tibia, I was sidelined (doctor's orders) for the duration of the cross-country season. This was a major bummer as I was one of the best runners on the squad. No sooner had I received this diagnosis than Dierdre, my longtime girlfriend, dumped me for some jerk on the soccer team.

I had sulked for a week or two, wallowing in self-pity and drinking way too much, before finally getting my act together. Cycling had saved me. It was a great way to maintain my fitness and elevate my mood while injured.

Now, having crested the rise, I took a much-needed break. Straddling my bike, I leaned over the handlebars and chugged from my water bottle. The view was spectacular. My vantage point granted me a breathtaking vista of the whole town. I could even see my off-campus apartment in the distance. Unfortunately, I could also see Dierdre's place, which reminded me of better times.

Exercise helped, sure, but I was still saddened by the breakup. Dierdre had been a lot of fun. I especially missed her dark sense of humor. An Ecology major with a love of hippiedom—fashion, music, books—she and I couldn't have been more different. But this hardly mattered. Our relationship proved that opposites really did attract. We were nothing if not compatible, especially in the sack where we had spent the majority of our time together.

I took one last gulp of water as visions of Dierdre, decidedly hot visions, filled my head. I missed her long auburn hair, missed her freckled skin, missed her piercings and tattoos. More importantly, I missed her pendulous tits, shapely ass, and tight pussy.

I hadn't slept with anybody, not a soul, since the breakup. No doubt, Dierdre and her new boyfriend were fucking like crazy. She had a thing for athletes, eschewing the crunchy granola types in the Ecology Department. "Athletes are better in bed," she had explained to me once, adding that most of the guys studying Ecology were hopeless potheads more interested in getting stoned than having sex.

Determined to get her off my mind, I resumed my ride. I had just reached the bottom of the hill when I heard voices. They were coming from the creek to my left. With its rocky bottom and several swimming holes, the creek was a popular spot for skinny dippers. Maybe I would get lucky. I squeezed the brake, coasting with my head on a swivel. I saw flashes of sun-kissed water, but no naked chicks. Eager to observe some unwrapped eye candy, I pressed on.

No luck. Still, the voices became louder. Somebody was having an argument, a rather heated one. Curiosity piqued, I climbed out of the saddle and leaned my bike against a tree. I moved stealthily through the brush until I saw them. Dierdre and her boyfriend! They were accompanied by another couple I didn't recognize.

Grasping the base of my shaft, my ex proceeded to stroke me nice and slow. Meanwhile, Angel serviced my ballbag, licking and lapping my nuts with slutty abandon.

My ex-girlfriend wasn't happy with her new boytoy, not one damned bit. Hair wet from a recent dip, a topless Dierdre wore a blue bikini bottom. Gesticulating wildly, she didn't mince words. It wasn't long before I had the full story. Dierdre, her boyfriend Tyler, and the other girl were supposed to be performing in a gonzo porn video. The other guy was the director, more or less. Though less vocal than Dierdre, he seemed equally outdone with the proceedings. And with good reason. Tyler couldn't get it up, not even after a ten-minute blowjob which I had just missed.

"You're ruining everything," said my ex.

"Yeah," said the other chick, a topless blonde in a pair of sodden Daisy Dukes. "I was counting on the money to pay my rent . . ."

"Tell him, Angel," Diedre added. "I'm in the same boat."

"I can't believe this shit." The director shook his head with disgust. "What a waste of time." He looked at Dierdre. "You said this guy was a stud."

"He usually is. This has never happened before."

"Well," said the director, "he picked a fine time to get a limp dick!"

I couldn't help but smile. Perhaps this incident would make Dierdre dump Tyler and come back to me. I would definitely take her back.

The director started to pack up his camcorder, my cue to emerge from hiding and save the day. Dierdre's jaw dropped when she saw me. "Adam!"

"I heard everything," I said in greeting, "and I think I can help."

The director looked at me strangely. "Who the hell are you?"

"My ex-boyfriend," Dierdre explained. She trained her eyes on me and said, "What are you doing here?"

"Riding my bike," I told her, before offering my services. "I'll get it up and keep it up for as long as you need . . ."

Tyler started to protest until Dierdre shut him up. "You had your chance. Now sit down and be quiet. We're already behind schedule . . ."

The poor guy was seriously pussy-whipped. He obeyed Dierdre like a cowed dog. As for me—well, I did exactly what the director told me to do.

The plot, such as it was, was your standard skinny-dipping scenario where some guy—that would be me—chances upon two hot chicks—that would be Dierdre and Angel—swimming in the nude. The lucky guy steals their clothes and refuses to return them unless . . .

"Action!" the director barked.

Dierdre and Angel removed their bottoms and jumped in the water. The director recorded me from behind as I moseyed to the creekbank and knelt beside the girls' clothes. "Well, well, well," I adlibbed. "What have we here?"

You can imagine the rest. Dierdre and Angel begged me not to run off with their clothes. I hemmed and hawed. Finally we came to an agreement.

And that's when the fun began . . .

The creek served as a nice backdrop for our fornicating festivities. I stood there as a kneeling Dierdre lowered my shorts and skivvies. Grinning lewdly, Angel crouched beside her costar. Grasping the base of my shaft, my ex proceeded to stroke me nice and slow. Meanwhile, Angel serviced my ballbag, licking and lapping my nuts with slutty abandon.

Tyler couldn't bear to watch. He walked away in a huff. Good riddance, I thought. Angel seemed unaware of her boyfriend's exodus. She had other things on her mind, namely my throbbing dick, which she continued to stroke with a deft tugging motion. "Suck it," I told her bluntly. Dierdre complied. Still gripping my shaft, she gobbled my cock good and proper. Her hand and

mouth worked in perfect harmony, jerking and sucking me in proper fashion; this as Angel took my whole nutsack in her ravenous mouth.

This was a first for me. Not the threesome. I had been with two chicks once before. But having sex on camera was a wholly new experience. I liked it. And looked forward to viewing the finished product.

Now Diedre and Angel took turns polishing my rod. My ex would give me a few good pumps, then withdraw to let her costar take over. Back and forth. Theirs was an impressive tag team effort, collaborative cock sucking at its finest.

They led me and my raging boner to a flat rock which jutted over the creek's most popular swimming hole. People used the rock for diving and sunbathing. Dierdre and Angel had already spread an oversized beach towel on the hard surface. The director, his eye pressed to the viewfinder, followed unobtrusively.

I couldn't wait to fuck Diedre again. It had been a long time. Too damn long. She seemed equally excited by the prospect of screwing me; her big brown nipples were pointy cones, a telltale sign that she was turned on in a big way. She lay on the towel and spread her legs. I moved toward her, but Angel beat me to the spot. The blonde hottie went down on my ex. Dick in hand, I got down on my knees beside them for an intimate view.

Angel's questing tongue worked Dierdre into a frenzy. She knew a thing or two about eating pussy, evidenced by the moans and groans emanating from my ex. Dierdre ran her hands through Angel's blond locks as her partner chowed down on her cunt.

Unable to hold back any longer, I moved behind Angel and skewered her with a single stabbing motion. Holding her slender hips, I thrust repeatedly, hammering her pussy as she continued to feast on Dierdre's box. Angel's ass was tighter than Dierdre's, tighter and smaller. I pounded it mercilessly until she came, then pulled out as a spent Angel rolled off Diedre.

My ex's cunt lips were wet and splayed from Angel's mouth. I didn't even have to use my hand to guide my prick inside her. Fucking Dierdre again was everything I had hoped it would be. Her pussy was still tight; it gripped me snuggly as I reamed her with piston-like jabs. Having recovered from her exertions, Angel slathered Dierdre's pendulous jugs with her eager tongue.

I withdrew with seconds to spare, positioning my cock over Diedre's chest. Cum jetted from my engorged glans, lots of cum; my load blended with Angel's frothy saliva to glaze Dierdre's freckled tits.

"That was fantastic!" exclaimed the director.

Everybody was dressed when he offered me Tyler's cut of the money. I declined, insisting that he split it evenly between Diedre and Angel.

"That solves my rent problem," Diedre said happily.

"I heard that," Angel remarked.

I learned that the director was an adjunct instructor in the Theatre Department with his own fledgling adult website.

"Paying members," he said proudly. "All original content."

"Cool. I'll be sure to check it out."

He offered me a ride back to town. I declined politely, telling him that I was on my mountain bike. The girls hopped in his jeep, though not before Dierdre told me to call her. I couldn't have been happier. I was all smiles as they drove away in a cloud of dust. But my good mood soured when I failed to find my bike. Tyler, I thought. That sorry bastard had stolen my most prized possession. Oh well. I guessed that made us even.

After all, I had fucked his girlfriend.

I couldn't wait to fuck Diedre again. It had been a long time. Too damn long. She seemed equally excited by the prospect of screwing me...

THE MAN CAVE

THE SOUTH RISES AGAIN

PUT ON THAT SMOKING JACKET YOU HAVE STUFFED AWAY IN THE BACK OF YOUR CLOSET. PULL OUT THAT VINTAGE SMOKING PIPE OF YOUR DAD'S AND KICK BACK IN YOUR FAVORITE RECLINER AND ENJOY A READ LIKE THE DAYS BEFORE THE INTERNET. NOTHING IS MORE EXCITING THAN TIME ALONE WITH YOUR IMAGINATION.

I must've read the paragraph half a dozen times before sighing heavily and shaking my head in frustration. Accepting defeat, I closed the textbook and got up from my cluttered study desk.

Dr. Olivia Kuhn, my professor and a leading Civil War scholar, had written the massive tome, which most critics hailed as her magnum opus. Way behind on the research for my master's thesis, I was playing catchup in the worst way, cramming my head with too much information in far too little time.

I blamed New York City for my procrastination . . .

So much to see, so much to do. It was damn near impossible to concentrate on my studies. Temptation was everywhere. Being from a small southern town, I wasn't used to having so many options. More often than not, I answered the call of the night.

This evening was no different than most as I donned my watch cap and peacoat and hit the streets. Breath pluming in the frigid air, I strode purposefully to the nearest subway station. A short ride took me to my preferred playground. 42nd Street was a hedonistic paradise. Dirty bookstores. Porno theaters. Peep shows. Dope-slingers on every corner. And sex workers galore.

I routinely indulged in all of these illicit treats.

Now, having scored a dime bag from a local pusher, I patronized my preferred peep show. Sequestering myself in the cramped booth, I took off my coat and hat, grabbed a seat, and dropped a token in the slot.

The opaque partition slid open.

I almost fell on the floor.

Mouth gaping, eyes agog, I stared in disbelief at the busty performer. She was wearing a platinum blonde wig, but the tits gave her away.

"Dr. Kuhn!"

Recognition dawned on her face. But she didn't blush. My professor didn't seem embarrassed in the least. Sitting in a black leather sex sling, her hands gripping chains affixed to the ceiling, she leveled her eyes at me and flashed a risqué smile. "Don't you have homework to do?"

"More than you know," I told her.

Hers wasn't my only class, not by a longshot. I was taking a full academic load. 9 graduate hours. But I hadn't come to the Deuce to talk about school, nor had Dr. Kuhn . . .

This became apparent when she hopped out of the sling and struck a lewd pose. Turning around, she bent over and touched her toes, giving me an up close and personal view of her spectacular ass. Her black G-string left little to the imagination.

"What do you think?" she said. "Not bad, huh . . ."

"You must do a lot of jogging," I remarked.

"Central Park," she told me. "Six days a week."

Dr. Kuhn rose to her full height and turned to face me. She looked good enough to eat in those panties and a tight-fitting tube top, her conical nipples threatening to pierce the stretchy fabric.

Suddenly the partition slid closed.

Shit, I thought, panicking as I deposited another token in the slot.

The partition opened.

Dr. Kuhn had resumed sitting in the sling. She leaned back into the harness and spread her legs. Her G-string failed to contain the bountiful bush between her legs. One of her hands let go of the chain and tugged at her tube top, yanking it down to expose one luscious tit.

Heart racing, pulse pounding, I swallowed a lump in my throat. My cock was hard and getting harder. I fished in my pants pocket for a tip, my hand brushing up against the stiffness of my swelling rod.

I placed the bills, not even sure of the amount, on the other side of the partition. "Thank you, baby," Dr. Kuhn said, her high heels dangling above the floor. She lowered the other side of her tube top. Feasting my eyes on her amazing rack, I freed my cock and stroked myself.

Turning around, she bent over and touched her toes, giving me an up close and personal view of her spectacular ass.

Still gripping the chain with one hand, Dr. Kuhn used the other one to slide her panties to the side. Pink lips protruded from her hairy snatch. She diddled them lovingly before plunging three fingers inside her cunt. Starting to pant, I jerked my prick faster and faster.

My professor matched me with tireless energy, upping the ante when she crammed not three but four fingers inside her cooch. She pumped her hand. Her pussy squelched loudly. My cock exploded, spurting a sizable load of jizz seconds before the partition closed.

I went back to my rat-infested apartment and rolled a fat jay. Relaxing on my secondhand sofa, I fired her up and looked forward to a good night's sleep. One puff was all it took for me to realize that something was amiss. Pot, my ass. More like oregano! That pusher had fooled me but good.

Still, I couldn't complain.

Seeing Dr. Kuhn at her second job was the experience of a lifetime!

One's sexual lifestyle is a choice we all make. For some, it cums naturally, while others develop it over time. Renata's is one that is slightly over the edge. The edge of dual pleasures. No sissy sex for her. She wants it big and hard, even if it's her favorite toy. It's just something that she says cums naturally for her. We cannot disagree!

DESTINY DIXON

“I’m kinda new to the business. I was a housewife for a few years, and had some retail jobs during my twenties but found them unfulfilling. Then, one night, this guy I was seeing brought over a porn video and it really turned me on. I was shocked at how much fun it seemed. He got the best fuck of his life that night – and so did I!”
